

QUALITY POLICY STATEMENT

Alpine Bearing is dedicated to providing an exceptional customer experience delivering precision bearing solutions and is committed to:

- Improving product quality and customer satisfaction.
- Developing and achieving quality objectives and key process indicators.
- Meeting or exceeding applicable requirements of all interested parties.
- Continually improving the quality management system.
- Fostering a culture of quality, ethical expertise, and accountability.
- Building trusted partnerships through integrity, responsiveness, and dependable performance.

Alpine Bearing President,

A handwritten signature in black ink, reading "Lenn Brooks".
